Scholarship

In the year ninteen hundred and forty-five the Junior and Senior classes established a scholarship fund constituted by the deposit of one hundred twenty dollars in the Switz City Bank. Each year sixty dollars was taken from three funds, Senior Class, Junior Class and Athletic Association and added to the Scholarship Fund.

The winner of the Scholarship shall receive sixty dollars. The Fund is controlled by the Principal of Switz City High School, the Senior Class sponsor, a representative of Switz City Bank, and the presidents of the Junior and Senior Classes.

The determination of the person receiving the scholarship is based on semester grade averages of the winner, providing that he has attended Switz City High School four years.

Announcement will be made at Commencement time.

Who is the lucky winner?

WINNER — A. MILLER.

Curtis Wilson, Principal

Nina Workman, Clerk

Reception

On Friday, April 30, 1948, the Senior and Junior classes of S. C. H. S. enjoyed an evening at Spring Mill Inn.

On the dinner tables were corsages of red roses and favors of compacts for the girls. The boys received buttoniers and favors, which were fountain pens. The guests were also given corsages and favors.

Russel Staker, the Junior class president, extended the welcome to the Senior class, and Vance York, the Senior class president, gave the response.

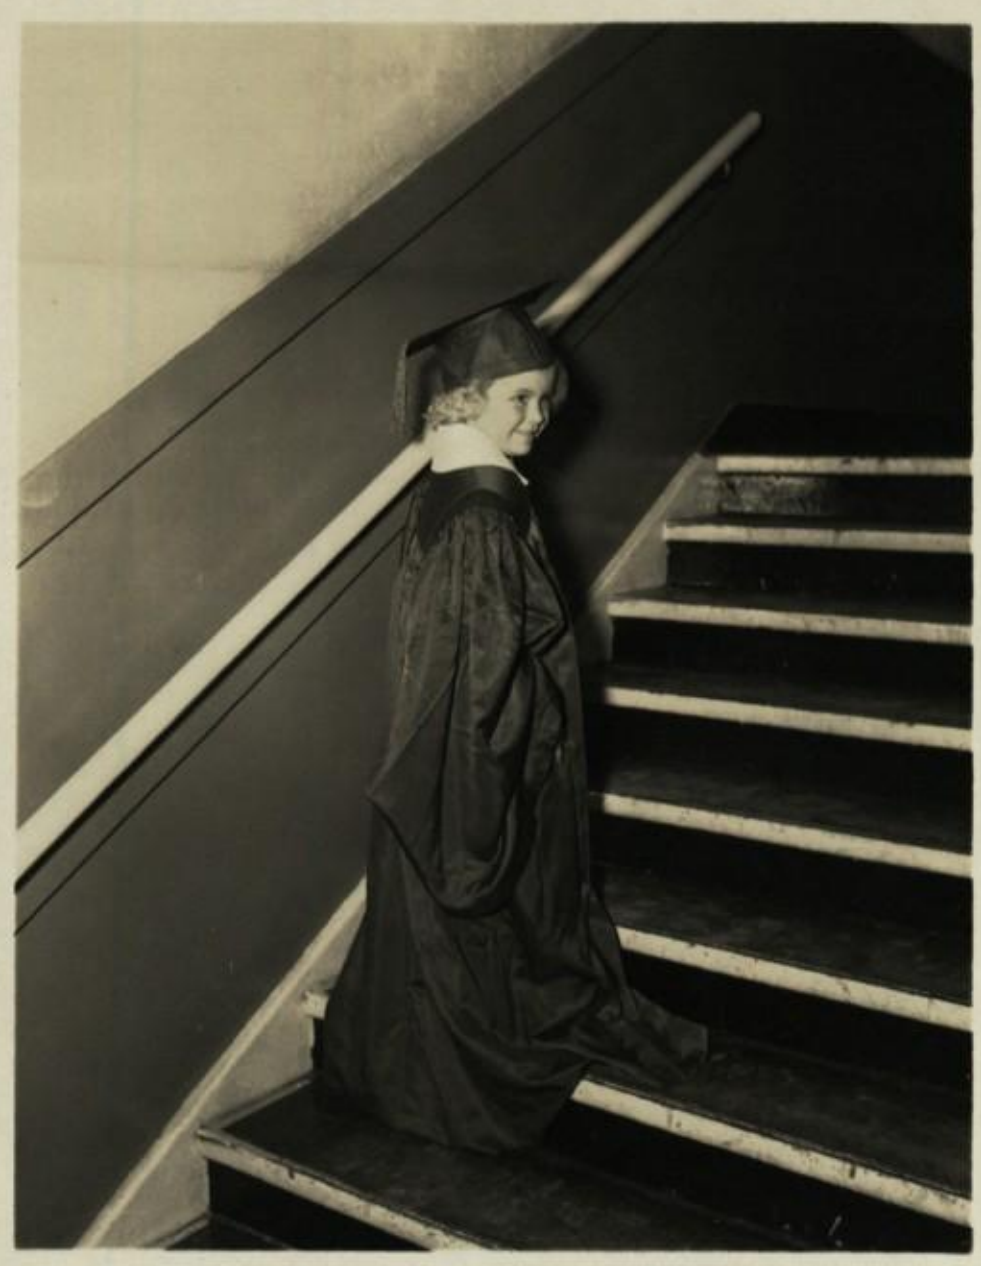
After a delicious three-course dinner, members of the classes along with the faculty and guests, retired to the recreation room where the Junior prophecy and the Senior will were given.

The Junior prophecy was presented by Catherine Winters, Jo Townsend, Lena Tolen, Barbara Conklin, Richard Nolting, and Jack Sullivan. Using playet form these people did a very good job of delving into the past and prophesying the future for the members of the Senior class of "48".

After the Junior prophecy was given, the Seniors gave the will. Yvonne Terhune, very appropriately dressed in a red suit and a tail, played the part of the little man with the pitchfork and horns. Beatrice Landis was an angel complete with wings. After much argument between Yvonne and Beatrice, members of the Junior class were willed places in heaven and elsewhere.

After the prophecy and will, dancing and various games were enjoyed the remainder of the evening.

SENIORS



Senior Class History

In September of 1946, a group of boys and girls met on the deck of that sea going craft S. C. H. S. This cruse was to play an important part in the lives of the members. As the ship slowly pulled from the harbor tnere was heard a cry, "On to Higher Education."

Since this was an extraordinary ship, the officers were not placed in power by some higher officials, but were elected by the passengers, themselves. The able bodied captain chosen was Elaine Lind. The first mate Jo Townsend, and second mate Leona Moody. Mrs. Mason Landis was chosen as our chaperon. Twenty-seven able seamen started out on this great voyage. As we stopped at one port we were attacked by the Sophomore Class and all members of our crew were initiated.

We dropped anchor in a big port for a few months vacation during the summer. The following September we were ready to begin the second section of our Journey. We had lost two members and gained one; there were still twenty-six to sail on.

The second year of our voyage began. Mr. O. Gheen became our chaperon, Aletha Miller became captain, Jack Sullivan first mate, and Lena Tolen second mate. Elaine Lind and Patty Lewis did not start this part of our voyage with us but Norma Wilkie joined our crew. Mr. Curtis Wilson took up the position as head of the Education Department.

During the second division of our journey some of the students thinking they might have need for a language other than English took up Latin. This was directed by Mr. Harold Payne.

The third section of our voyage was completed without mishap. A remarkable thing occurred this year. A member of another crew of S. C. H. S. which completed their voyage in 1942, had fallen over board, but as she was very determined, Evelyn Lynch swam very fast and boarded our ship in 1947. Officers chosen were Russell Staker, Lena Tolen, Mary Ruth McDaniel. We chose as our advisors Mr. and Mrs. Marvin Snoody. Our first important debut was an example of our talent. The Snoddy's directed us and after we had memorized a small book, we dropped anchor in a lovely city and thrilled the people with the story of "Aunt Tillie Goes To Town."

A new phase of study was instituted during this section of our voyage under the leadership of Mrs. Kathryn Frey. This course was for those interested in the business world.

We left harbor for the last year of our voyage. Our frivilous Freshman days were but dim memories—Our "silly" Sophomore frolics were things of the past—Our Junior year was a closed book—We were Seniors. Norma Wilkie left our crew for different waters. Don Smith and Ralph

Miller came aboard at Windfall and Pimento, and soon made themselves at home upon our decks. Russell Staker continued his services as captain Lena Tolen and Jack Sullivan as first and second mates. Mrs. Kathryn Frey became sponsor. This was the year to record ours and other sailors adventures. Our record was named the Analecta with Catherine Winters and Aletha Miller as editors. In order to defray the expenses of our cruise we sold advertising for the Analecta and presented another play, "His Ozark Cousin."

During this year five outstanding scientists were discovered in the new Chemistry Laboratory installed on the ship. This class was under the supervision of Mr. Marvin Snoddy.

The waves roll onward; our ship is nearing its haven under the hill and our voyage comes to a close. We see through the clouds the future—"Commencement." As we look before us we see the blue waves going onward, tears fill our eyes; we cannot continue our trip abroad; we must leave Switz City High and start out in the world alone on a longer, more serious journey—the journey of life—armed with our motto, "The Word American Ends In, 'I Can'."

The shrill whistle of the ship is heard shrieking loudly; our harbor is near; our last stop is at hand. As soon as we are docked we will start on a new trip—alone. In our trunks we have locked our pleasant memories of our journey—never to be forgotten.

CONGRATULATIONS—Catherine Winters and Aletha Miller extend hearty congratulations to senior class and wish for the juniors many more sappy occasions after we are gone.

JUNIORS

Junior Class History

We, the "happy-go-lucky" Juniors of 1949, have suddenly come to the realization that there are many, many rungs in this long ladder to success.

In the fall of 1948 we entered the high school as a mob of "Jolly Juniors" with a total of 28 members. Luck favored us by adding one to our number, Wilma Carpenter, originally from Lyons High School. However, we lost a member, Wanda Roberts, who moved away.

Our Junior Class Play was a great success! (We hope) We certainly enjoyed presenting it.

It is the privilege of the Junior Class to give the Senior Class the annual Junior-Senior Reception at the end of the school term. We are looking forward to it. We have turned our thoughts and efforts to money-making schemes this year. We have sold soft drinks and candy bars at every home ball game, also magazine subscriptions, and Christmas cards.

At the beginning of the school term we had seven members of our class represented on the ball teams but unfortunately John Gastineau received a broken arm in combat at Bloomfield. The remaining six who are members of the team are: Charles Justus, John Skomp, Charles Allen, James Inman, and Charles Hamner. We also have seven members participating in the band. They are: Julia Clayton, Bonnie Borders, Mary Martha Greves, John Gastineau, Joe Harrell, Laverne Roudebush, and David Roudebush.

Now it's plain to see that we haven't absorbed an overdose of knowledge, but we have endeavored to contribute our part toward the upbuilding and advancement of our school.

"ALONG CAME KILROY"

Cast

Fred Rowe ..... Fairly successful businessman
Maxine Hamlin ..... Society matron, club leader type
Mary M. Greves ..... Average girl of today
Bonnie Borders ..... Neighbor girl type
Richard Barnard ..... Rich pampered young man
Ruby Cain ..... Rather deaf
John Skomp ..... Happy-go-lucky citizen from Alaska
Joan Miller ..... Determined Steamboat Annie type
Joe Harrell ..... A bush pilot
Albert Lundy ..... A young man constantly in a dither
Shirley Beatty ..... Combination of cook and maid
John Gastineau ..... A "private eye"

The play started moving when Shirley Beatty, the maid, and Maxine Hamlin, Mrs. Smyth, could not hide the chicken feathers. Then came the real comedy when John Gastneau, the detective, arrived. He seemed to be everywhere at once, especially where Aunt Eunice, Ruby Cain, was.

More laughs were stirred when Uncle Ike showed up from Alaska hotly pursued by Klondike Kate, Joan Miller. Richard Barnard and Mary M. Greves seemed to be "oh, so covered with chicken feathers."

Kilroy did not know whether he was Kilroy, Leroy, or Jim Harris. Bonnie Borders was a typical neighbor girl.

Annex

There was a mad rush about September 1, as all the students went hurrying outside to look over the new rooms which had been built during the summer. We were all curious over the purpose of the building and discovered that it was erected for housing classes in Agriculture, shop and music.

The building is divided into three rooms which are oil heated and attractively finished with knotty pine.

All agriculture, shop, glee club, and band classes meet in the annex. We find this addition to our school a very pleasant and comfortable place in which to hold classes.

Styles

Back in '48 — '49 we recall saying:

"H'lo! Mort."
"Which twin has the Toni."
"Are you kiddin'?"

We remember singing these songs:

Buttons and Bows
Slow Boat to China
Lavender Blue
My Darling

We went to the movies to see these features:

The Paleface
So Dear to My Heart
Fuller Brush Man

We saw these new styles come in:

Crepe sole shoes
Long tight skirts
Zipper shirts
Bobbed hair

We talked the most about:

Chemistry

This year the school officials decided that a new science course should be offered. As a result chemistry was included on the list of elective courses open to students in our school.

The enrollment in our first chemistry class was nine—five seniors and four juniors. The time in class was spent equally in study and experiments. Rumors have it that the rooms above us were in a constantly nervous state. They were afraid that some well-meaning chemistry student would (accidently) discover the formula for an atom.

The equipment in the science laboratory consists of one table in which supplies were kept and another in which aprons and books were placed—also purchased was a walnut-finished cabinet in which chemicals were kept.

One of the tables has a sink with hot and cold running water, four electric boxes and four gas outlets.

At the close of the year nine students still remained—however, there were many burnt fingers, broken test tubes, acid eaten books and a nervous teacher. Due to some miracle every one has survived.

Cafeteria News

As all of you know, our Cafeteria was started last year. Many new things have been added. These new things are an improvement and also an aid to the cooks to prepare more efficiently and quickly our delectable hot lunches. Hot lunches make us feel more like studying. Well, don't they?

A new 23 case milk cooler, a G. E. deepfreeze, a potato peeler, new plates, forks, spoons, fruit juice glasses, and various cooking utensils have been purchased since last year. The expenditure in dollars for this equipment amounted to $1600.

An average of 392 lunches a day was served the first semester, this made 29,449 meals served in 75 days.

The Switzers traveled to Clay City to collect their first victory. High scoring honors went to Smith and Skomp who tied for 9 points each. For Clay City it was Gerber making 15 points.

November 12

Worthington—53 Switz City—40

The Switzers journeyed to Worthington, fought a very hard game, but were defeated. Brannon, Worthington's star, collected 25 points. Smith who played forward for Switz collected 12 points.

November 19

Switz City—31 Lyons—29

The Switzers tangled with Lyons their first home game and won. Charlie Justus who played guard collected 10 points for scoring honors. Rollison who played guard, made 10 points for Lyons.

December 3

Midland—34 Switz City—35

On our floor we bested our opponents by 1 point in a nip-and-tuck battle. Smith dropped 16 points in the bucket. Lammey of Midland scored 12 points.

December 10

Switz City—35 Spencer—43

The Cops who were captained by Woolard last year, beat us by an 8 point margin in a very close and exciting game. Gastineau and Smith tied for 12 points each. Spencer scoring honors went to Dowell, who made 14 points.

December 11

Solsberry—36 Switz City—29

The Switzers dropped a very close and exciting game to the Hornets. Cazee made 18 points for the Hornets, and for Switz it was Smith making 9 points.

Our last game for year 1948 was in the Scotties favor. Staker, who played guard scored for 9 points. Cochrane for the visitors scored 12 points.

December 24 January 2

VACATION WEEK—Santa Claus sent us a new ball player, Raymond King.

January 4

Switz City—36 Linton—44

Our first game for 1949 was played on Linton floor. We should have won, but failure to hit the bucket from the foul line lost the game for us. Gastineau racked up 10 points for our side. Reed made 14 points for the Miners.

January 7

Lyons—39 Switz City—41

Again we tangled with our close neighbors "Lyons" but walked away with a victory by a 2 point margin. Gastineau banked 12 points for Switz. Ed Fulk scored 16 points for the losers.

January 11

Switz City—33 Worthington—42

The Ramblers, who were very lucky in shooting, bested us by an 8 point margin. Donald Ray Cruse, who played guard was high point man for Switz with 9 points. Warren, who played guard for Worthington, collected 15 points for the winners.

January 14

Bloomfield—44 Switz City—36

The Cardinals will have to admit it was not a practice session. The Switzers never gave up till the gun was fired ending the fourth quarter. Gastineau scored 11 points for the "Switzers" and Lewis 23 points for the Cardinals.

Switz City—31 Lyons—39

The game started at 10:00 on the Linton gym. The Switzers were ahead 5 points at the half, but the final quarter saw Lyons the winners. Ed Fulk, who played the position of forward, held scoring honors with 13 points. King, who played center, led the Switzers in scoring with 12 points.

February 4
Switz City—42 Midland—36

The Switzers turned up with their best game of the season with Midland on their home floor. Switz City was ahead of the Middies all the way. Gastineau led the scoring attack with 12 points and Orman tallied with 10 points for the loser.

February 5
Marco—47 Switz City—44

Marco, our new rivals, bested the Switzers by a three point margin. The Switzers were a little slow getting started, but the last half saw them go into action. Goodman, who played forward, hit for a high score of 17 points. Charlie Justus, playing the position of forward for Switz, scored 11 points.

February 9
Switz City—62 Carlisle—32

The Switz City "Switzers" came through with a booming 62 to 32 victory over the Carlisle Indians on Wednesday night. Raymond King took scoring honors by scoring 19 points. For the Indians, it was South, who made 12 points.

February 11
Pleasantville—56 Switz City—45

The Switz City "Switzers" paid a visit to the Pleasantville five at the Dugger gymnasium only to take a beating. At the half the score was 17 for both sides, but in the second half we saw the Pleasantville five move to victory. Band

Our senior band, under the leadership of Miss Hazel Morris, has thirty members in uniform. This year we have a junior band, too, which also consists of thirty members. They are striving to become members of the senior band and will some day take the place of those who graduate. They are progressing rapidly.

The band has been a busy organization this year, full of work and good times. We played at the Worthington Fair, Campaign Rally at Linton, and several of the home ball games.

Eight members participated in the District contest held at Bloomington. The four who won first at Bloomington and two student directors, tried their best to win honors at the State contest February 19, at Terre Haute. We plan to take part in the county Band Festival to be held at Bloomfield in March and to give a Spring Festival at Switz City.

The band boosters club is well organized this year and has made possible the purchase of two new uniforms, a new BB Flat Sousaphone, and a reconditioned E Flat Sousaphone.

Six seniors will receive honor sweaters this year, a reward for participating in band for several years. Sweaters are to be awarded to Mary Ruth McDaniel, Lena Tolen, Catherine Winters, Jack Sullivan, Willa Dean Gibson, and Gloria Hamner.

Glee Club

The Glee Clubs are under the direction of Miss Morris. The girl's club has thirty members and the mixed chorus consists of forty boys and girls. We sing both religious and popular music.

Members of the Glee Club went Christmas caroling and they will take part in the Spring Festival to be given in March.

Future Farmers of America

The Future Farmers of America, or "F.F.A." as it is more commonly known, is a national organization of farm boys studying Vocational Agriculture. The national organization is made up of state organizations including every state but one in the United States, and Hawaii and Puerto Rico. Each state F.F.A. is divided into several districts and these districts are in turn divided into local chapters, situated in most of the schools in the districts.

The Switz City F.F.A. Chapter, which was organized in the spring of 1945, now has ten Chapter Farmers, the second highest degree. At present there are two Greenhands, the rank of which all F.F.A. members start. Last year one boy, Vance York, from our chapter was awarded the Hoosier or State Farmer Degree, the third highest degree of the organization, and again this year we have one boy trying for this degree, which is awarded only for outstanding records kept in record books and outstanding records of participation in school and community as well as F.F.A affairs.

In the Spring of 1948, we elected new officers. They are as follows:

President	Fred Rowe
Vice President	David Roudebush
Secretary	Frank Hardesty
Treasurer	Bill White
Reporter	Junior Blanton
Sentinel	Charles Hamner

There has been three District meetings this year, at Worthington, Linton, and Bloomfield. Our chapter has been represented at two of these meetings. The next meeting, the Spring Elimination Contests, is to be held at Switz City, with our chapter as hosts.

We think that our chapter and its members are doing quite well, for during the past few years, all of the projects have proved very profitable, showing several thousand dollars in net profits.

Boy's 4-H Clubs

The boy's 4-H clubs had 81 members in which 78 completed their projects. The boy's 4-H is divided into three clubs. The Club News of the clubs is as follows:

HOOSIER HUSTLERS 4-H CLUB

Junior Leader—Fred Rowe

The Hoosier Hustlers 4-H Club of Smith Township has been very active during the past year under the leadership of Glen Gates, Adult Leader, and Harold Zimmerly, Junior Leader. Thirty members were enrolled and completed their projects successfully, winning two sweepstakes in Dairy, two in Swine, and one in Poultry, along with many firsts, seconds, thirds, and fourths. Our Club has also played an active part in Judging Contests and other numerous 4-H affairs. We hope to do even better this year with Paul Duhne as Adult Leader and Fred Rowe as Junior Leader.

WILLING WORKERS

Junior Leader—Bob Gastineau

The Willing Workers has 18 members from which all but one completed their projects. Our Club won one sweepstakes and eight first prizes. The sweepstakes was won by Helen Stacey in her garden project.

We were well represented on the trip to Evansville and also on the trip to the State Fair. Two members, Gloria Hamner and Bob Gastineau were present at the 4-H round-up. We also took active part in the Judging Contests.

FAIRPLAY TOWNSHIP CLUB

Junior Leader—Jack MacDonald

This has been a most prosperous year for the "World Beater's 4-H Club." We exhibited at the county 4-H fair, and had a good turnout in judging, and were also well represented on the trip to Evansville.

Our club had a total of five sweepstakes, and thirteen blue ribbons at the 4-H fair.

The club also had three members present at the 4-H Round-Up—Martha Thacker, David Roudebush and Don York, with one member of the club, and Jack MacDonald going to Conservation camp at Versailles, Indiana.

Our Club took active part in judging too—Don York and Harold Zimmerly receiving the right to go on to the state contest. During the year, Mr. Duhne became Adult Leader when Mr. Gates went to Bloomfield. The combined clubs are working for an equally prosperous year during 1949.

Girls' 4-H Club

In '48 the Switz City Lassies felt as though they accomplished more than their ribbons might indicate.

Our club consisted of thirty-six members, nine of which were new members. Several of our older members have been loyally serving their club for a period of seven or eight years.

Early in the spring, our club chose Nancy Ann Aldridge for its president, Mary Ruth McDaniels as vice president, Lena Tolen, secretary, Helen Stacey, treasurer, Betty Jo Gastineau and Evelyn Brock as recreation leaders, Mary Lee Bingham as health leader, and Martha Thacker and Carolyn Feutz as our pianists.

Our Junior Leaders this year were Ruby Cain, Mary Ruth McDaniels, Helen Stacey and Gloria Hamner. It is considered quite an honor to be chose Junior Leader because so much is required to qualify. She must be an outstanding citizen, good scholar and an able leader of inexperienced members.

Two sweepstake awards were claimed by the Switz City Lassies. The awards were given to Mary Ruth McDaniels in baking and Ruby Cain in clothing and dress review.

Some of the girls work was entered in the State Fair. In the canning division Lena Tolen, Carolyn Feutz and Ruby Cain were chosen. In baking Mary Ruth McDaniels and Nancy Ann Aldridge were selected.

Our new adult leader is Miss Horn from Clay City who is a graduate of Indiana State Teachers College.

SOPHOMORES

Sophomore Class History

This year we, the sophomores, have an enrollment of twenty-three. We have lost only one member since the beginning of school.

During the first of school we elected the following officers:

President ..... Robert Brock
Vice President ..... Phyllis Hix
Secretary-Treasurer ..... Joe Fitzpatrick
Reporters ..... Jack McDonald
Vernal Green
Sponsor ..... Ollie Gheen

The Freshman Initiation, October 7, of which we had charge, headed the calendar of social events.

We are proud of the five boys on the basketball teams, three of which are on the first team. They are Raymond King, a newcomer to our class, Donald Ray Cruse, Robert Brock, Jack McDonald, and Joe Fitzpatrick.

In December we gave the first assembly program. It was a play entitled, "Hillbilly Sue." Everyone seemed to have turned hillbilly that day.

The night of December 21 was a big night for all the classes, the annual Christmas party.

We are making our future plans by choosing our Junior play now, and electing our class treasurer for the coming year.

FRESHMEN

Freshmen Class History

On September 3, 1948, twenty students enrolled in the Freshman class.

We were initiated on October 7, 1948. Next on our social calendar was a class party, which was held in the Annex, then came our Christmas party which was really a success.

We worked some time on our assembly program, the hilarious comedy "Angel Child" which really went over with the kids.

Our class was well represented in the spring musical March 4, with several students participating in the chorus and band. We are also represented in other extra-curricular activities. On the ball squad there are five members, in the band five members and five in the chorus. We show up well in the 4-H Clubs, in the F.F.A., and also the Hobby Club.

President ..... Jimmie Bogard
Vice President ..... Nina Dayhoff
Secretary-Treasurer ..... Roselyn McDaniel
Sponsor ..... Mr. Duhne
